#### 2021 LDFPD ANNUAL BUDGET MESSAGE

#### To: Board of Directors, Property Owners and Residents

The following summarizes the **2021 Annual Budget** for the Lake Dillon Fire Protection District (*District*). As property owners and residents in the District, the Board of Directors and staff value your input because you are the stakeholders we are accountable to. Your review and comments are welcome in advance of and as part of the Public Hearing scheduled for November 17, 2020.

The **District** entered into an Intergovernmental Agreement establishing the Summit Fire & Emergency Medical Services Authority (*Authority*) with Copper Mountain Consolidated Metropolitan District (CMCMD) effective January 1, 2018. This Authority provided structural and wildland fire suppression operations, emergency medical services, fire prevention, personnel staffing/training/support, hazardous-materials response, apparatus and fleet services, facility/station maintenance, 911 dispatch and communications services, administration, and information technology support services. On November 3, 2020, the District was successful in the election to include all real property of CMCMD into the District effective January 1, 2021. All of the operations the Authority was providing will now transfer back to the District and the Authority will dissolve in 2021.

The **2021 Annual Budget** utilizes the accrual method of accounting. The **General Fund Budget** shows the transfer of services from the Authority to the District which includes: structural and wildland fire suppression operations; emergency medical services; fire prevention; personnel staffing; training/support; hazardous-materials response; apparatus and fleet services; facility/station maintenance; 911 dispatch and communications services; administration; information technology support services; **Capital Expenditure Fund**, contributions to the volunteer pension fund, and the **Snake River Fleet Services Fund**.

#### The following are the significant priorities addressed within the 2021 Annual Budget:

- 1. The District tax receipts for 2021 show an increase of 9.6% due to the inclusion of CMCMD real property.
- 2. Human Resources, Compensation and Benefits. The 2021 District Budget includes funding for 112 employees that are broken out as follows: 63 commissioned career firefighting positions, 19 EMS non-commissioned positions, 14 EMS part-time non-commissioned positions, 16 full time non-commissioned positions, and up to 13 Fire Corps volunteer members. The commissioned firefighters are primarily assigned to four fire stations staffed 24/7 located in Dillon, Frisco, Keystone, and Copper Mountain. The 2021 budget includes increases due to longevity salary adjustments for achieving established benchmarks for years of service. There is no cost of living adjustment in this budget for 2021. The overall cost to fund the employee health insurance benefit is projected to cover a 4% increase with the employee responsible for 10% of the premium cost. The pension contributions from the District is increasing in 2021 due to the Fire and Police Pension Association of Colorado approved state legislation. This bill increases the employer contributions in both the Statewide Death & Disability Plan (0.02 percent) as well as the Statewide Defined Benefit Plans (0.50 percent). This increase will continue into the future. The District is increasing the contribution into the non-commissioned retirement accounts by .50 percent.

- 3. Capital Expenditures. The budgeted capital expenditures for 2021 is \$433,000. The capital expenditures in 2021 includes \$100,000 for SCBA equipment replacement, \$201,000 for a new Type 6 wildland vehicle, \$40,000 for new radio equipment, \$30,000 for new flooring and PPE extractor for Station 8, \$12,000 for eight additional parking spaces at HQ, and \$50,000 for administrative development projects including an impact fee study and consulting work for updating the District's strategic plan. A transfer of \$1,000,000 will be made from the 2021 General Fund into the Capital Expenditure Fund. An estimated \$1,982,068 will be carried over from the 2020 Capital Expenditure Fund.
- **4. Operating and Capital Reserve Funds.** The total estimate in reserves for both the operating and capital expenditure funds at the end of 2021 of \$8,167,619 would provide for an estimated 9 months (or up to 75% of the year) in reserves based on the scheduled expenditures budgeted in 2021.

General Fund Income for 2021 reflects a 25.3% increase when compared to the 2020 budgeted income, excluding the beginning carryover balance. General Fund Operating Expenditures reflect a 28.6% increase. For 2021, the combined expenses for the General Fund and Capital Expenditure Fund budget reflects a 26.5% increase over 2020 budgeted expenses. The District revenues projected for 2021 in the amount of \$12,525,620 will exceed the budgeted expenditures of \$11,311,694 by \$1,213,926. The District EMS revenues projected for 2021 in the amount of \$3,984,674 plus the projected carryover from 2020 of \$707,822 equals \$4,692,495 which is equal to the budgeted EMS expenditures of \$4,692,495.

Taxable Incremental Funding (TIF) which includes a portion of Silverthorne and all of the Town of Dillon reduces the taxable assessed valuation of the District by \$12,454,930. This results in \$112,182 loss of revenue for the District.

The General Fund is contributing \$91,082 in 2021 toward the volunteer pension fund. The State contribution to the Pension Fund amounts to \$81,974 and has been budgeted accordingly to be received in 2021.

#### **COLORADO STATE TAX COMPLIANCE**

The maximum property tax revenue and mill levy limit permitted for the 2021 General Fund are calculated to be \$10,356,458 based upon the District's mill levy of 9.094 mills (\$9.094 per \$1,000 of assessed value). The abatement mill levy of .050 mills is exempt from limitation and will result in collecting an additional \$56,434. The approval of a ballot question in 2001 resulted in the District continuing to be exempt from the 5.5% property tax revenue limitation calculation and from the TABOR excess revenue calculation. The approval of a ballot question in 2018 resulted in the District being "De-Gallagherized" which means the District is authorized to increase its mill levy to recover revenue that would otherwise be lost as the result of the residential assessment rate being lowered below 7.2% in any year. This initiative provides an additional \$49,742 in tax revenue for 2021.

Upon request, a complete copy of the **2021 Annual Budget** is available for review at the Lake Dillon Fire District's Administration Offices at the Summit Fire and Emergency Medical Services offices located at 0035 County Shops Road, Frisco, CO.

Sincerely,

LAKE DILLON FIRE PROTECTION DISTRICT

Travis Davis Fire Chief
